INSTRUCTIONS TO VACATE A SECTION LINE ROAD

The attached Petition to Vacate a Section Line Road needs to be completed. Please fill in the legal description of the section line road and the list of owners of the land through which the section line road passes. The petition then needs to be signed by 10 Sully County voters.

A document stating why the request is being made needs to accompany the petition as well as a map of the section line road or public dedicated road at issue.

You will return the completed documents to my office. Once the appropriate documents have been received, I will schedule an appointment with the Sully County Commissioners during their next meeting. Commission meetings are held on the first Tuesday of each month at 7:30 am. At that time the Commissioners will review the documents and will set a hearing date. The hearing date will then be advertised and held during the next Commission meeting.

On said hearing date, the public is able to voice opinions on the request to vacate the section line road. Once all public comment has been heard the Commissioners will vote on the issue.

If you have any questions please feel free to contact the Sully County Auditor's Office at (605) 258-2541.
