CRUSHED GRAVEL SPECIFICATIONS 1" CRUSHED GRAVEL

1" CRUSHED GRAVEL

1. Bidder shall furnish all materials, equipment and labor necessary to crush, weigh and stockpile gravel at the Sully Lake Pit in west Sully County.
2. 1" aggregate shall conform to Section 882 of the South Dakota Department of Transportation Standard Specifications for Roads & Bridges for Gravel Surfacing. Crushed Gravel must meet 6-10 Plasticity Index.
3. All pit stripping shall be placed to conform to the pit owner's plan for restoration as provided for by the Surface Mining Act.
4. Sully County requires testing material as per specs every 5,000 tons which will be at the cost of the contractor.
5. All materials must be crushed by November 1st.

METHOD OF MEASUREMENT AND BASIS FOR PAYMENT

- Payment for crushed gravel will be paid for at the contract unit price per ton.
- Bidder must submit a certificate of liability insurance and workman's comp proof of insurance.
- Send bids in a sealed envelope marked "Sully Lake Pit Gravel Crushing" to Sully County Auditor, PO Box 265, Onida, SD 57564. Bids will be opened at 7:45 am on April 7, 2026. If due to inclement weather the regular meeting is postponed, bid opening will be held at the following meeting of the Sully County Commissioners.
- Sully County reserves the right to accept or reject any or all bids as determined to be in the best interest of Sully County.
